

Charity of the Month

June 2018

American Heart
Association

For all of June 2018, proceeds from our product sales will go to support the **American Heart Association**. We believe in joining the fight against our nation's No. 1 and No. 4 killers - heart disease and stroke. A portion of our proceeds will be donated to American Heart Association to support life-saving efforts such as research, education, advocating for better health, and more. In short, when we work together to support this wonderful foundation, we are helping to save lives. On behalf of Postal Source, we **thank you** for your support.
